

Hello Oxbow Families,

Attached are travel forms for you to complete for Free Weekend, Spring Break and Final Departure for your student. Use these forms to notify Oxbow of your student's travel plans for the remainder of the semester. See the attached spring semester calendar for important dates. Break forms deadlines and details are listed below.

Free Weekend - notify the office by 12noon the Thursday before the requested free weekend

Spring Break – form due by Wednesday, March 21, 2018

Final Departure – form due by Wednesday, May 9, 2018

Free Weekend: Students may take one "free" weekend anytime after the first month of the semester. Students can leave on Friday at 5:00pm and must return in time for dinner on Sunday at 5:30pm. The free weekend can also be split into two one-night stays over two weekends. See the form for more details. There are no free weekends during the first month of classes or during the two Visiting Artist Residencies.

Spring Break: Student dismissal begins at 7:30am on Friday, March 30, 2018 and we ask that all students be off campus by 3:30pm. Students must return on Sunday, April 8, 2018 in time for dinner at 5:30pm.

Parent Information for Final Show Weekend and Student Final Departure:

Friday, May 11, 2018: Parents should plan to arrive in Napa to attend a Parent Reception that takes place from 5:00-7:00pm. An invitation and details for this event will be sent later in the semester. We ask that parents do not visit campus on this date as students are preparing for final show. Allow extra travel time for this Friday event.

Saturday, May 12, 2018: Parents and immediate family (parents, siblings and grandparents only) are invited to the Spring 2018 Student Final Show presentations beginning at 10am and ending at 12:00pm. Students go off campus with family for lunch at 12:00 and must return by 2:00pm to present their final projects during our Open House. We welcome the public, friends and extended family to the Open House which takes place from 2:00-5:00pm.

Note: Students may leave campus with family beginning at 5pm and may remain off campus with family for the night. If you are planning to take your student off campus overnight please notify us in writing by email to reslife@oxbowschool.org, by fax to [707.255.6006](tel:707.255.6006) or by mail no later than Thursday, May 10, 2018 by 12noon.

Sunday, May 13, 2018: Open House takes place from 1:00-3:00pm. Students and family are not required to attend but always welcome. Students off campus Saturday night and/or Sunday must return in time for dinner at 5:30pm. Families can either return home or may choose to stay through Thursday to escort their student home. This is also a good day to help your student pack for their departure. We ask that you not visit campus during the final days of the semester Monday-Wednesday.

Wednesday, May 16, 2018: Oxbow holds a final dinner for students and faculty. This is an important closing event for students.

Thursday, May 17, 2018-Final Departure: Student dismissal begins at 7:30am on Thursday, May 17th. All students must be off campus by 3:30pm. It is mandatory that students attend the final week of classes.

Here's to a successful Spring semester at Oxbow!

Megan Broughton
Residential Life Advisor

The Oxbow School
SPRING 2018 FREE WEEKEND TRAVEL FORM

In addition to Spring break, Oxbow students have one "free" weekend when they may go off campus to go home, visit relatives and friends or visit colleges. There are no free weekends during the first month of classes or during the two Visiting Artist Residencies. The Free Weekend can be taken anytime after the first month of classes. Students may leave campus on Friday afternoon at 5:00pm and must return by Sunday in time for dinner at 5:30pm. Oxbow encourages students to plan their one free weekend ahead of time with their families and in consideration of their Oxbow workload and our Visiting Artist Residencies. There should be no expectation of an additional weekend off campus once the student has taken his/her free weekend. Students have the option of splitting their free weekend into two one-night stays. All free weekend requests must be approved by the student's Advisor and may not be granted if the student is behind in their schoolwork.

Students should fly from the Oakland (OAK) or San Francisco (SFO) airport. Families must schedule a local transportation service for round trip ground transportation to and from the airport. A variety of options are available and listed in *The OxBow* for your reference. Oxbow recommends the Evans Shuttle Service located in Napa. You can contact them through their website at www.evanstransportation.com or by phone at 707-255-1559. The Evans Shuttles take approximately an hour and a half to two hours to and from either airport.

Submit this form by 12:00noon on the Thursday prior to the requested free weekend. Students who have not organized their permissions by this time may not be able to take their free weekend. When you have finalized your travel plans, please complete this form and email to reslife@oxbowschool.org, fax to 707.255.6006 or send by mail.

Shipping student belongings home – students will work with the Residential Life Advisor to package their personal items for shipping. Students that can't pack their own large or complex artwork will need to secure their own shipping service.

Please make arrangements including where the driver is to meet your student for pick up. We do not store student's boxes in the office for pick-up and are not responsible for overseeing your shipment arrangements. Provide your shipping company with your student's cell phone number so when they arrive they can call your student to meet them at the curb with the items to ship.

Shipping student belongings home is expensive so we recommend families manage this during their free time during the Final Show weekend. Any items left behind including bicycles will be donated to a local charity on Friday, May 18, 2018.
